Message from the President:

Dear members and friends,

A heartfelt thank you to our hard-working staff and our dedicated members and their guests. Re-opening the club has been a success and we have been very happy to welcome you all back. Our tables are full for lunch and dinner and so many of you are taking the opportunity to gather with friends and loved ones you weren't able to see during the pandemic. Your business is appreciated, thank you for choosing the Austrian-Canadian Club.

This fall we are very busy. Many of you are booking private dinners, enjoying family anniversaries, birthdays and celebrations of life. We've even had several weddings at the club this summer and have many bookings over the fall. If you are interested in booking a private dinner or event, please contact Christiane in the office at 403-250-9126.

Oktoberfest is our next big event, we look forward to beer, delicious food, music and friends! Book your tickets early as we expect to be busy. Tuesday, October 26 is Austria's national holiday. We are closed on Tuesdays, but hope you'll come by the club that week to celebrate Austrian food and culture!

We are happy to see you all again and appreciate your support.

Best regards,
Frank Meixner, President

Choir Heimatecho Report:

Dear Friends and Members.

Thankfully summer allowed us to get some fresh air and sunshine, even when it was very hot. The choir recently had a socially distanced gathering on July 25th. Thank you to everyone who enjoyed the barbecue at Claudia Bosch's beautiful garden, it felt good to get to see each other again.

The Choir is an important part of the Austrian-Canadian community and we were honoured to be asked to recently perform at a celebration of life for one of the club's valued members. On July 31st, the choir was invited to sing at the celebration of life for Jake Maier, Katie Maier's husband. After a long gap in performing, our choir director Jeannie Park led us in practicing to make this wish come true. We performed at the Bonifatius Church and then joined the family at the club where photos, videos and tributes were shared. Frank Meixner and Vic Lavicka made special speeches. A big thank-you to our choir members who made this a special celebration.

Choir Heimatecho loves to practice our Austrian traditional folk music - a dedication to our Austrian Culture. And now we are finally able to start the practicing and enjoying this treasured music again and yes, we will have to follow public health protocols.

Our next practice is September 9th at 7 PM at the Austrian-Canadian Club. See you all there!

With best wishes,
Frieda Foidl
