Message from the President:

Dear members and friends,

I would like to thank everyone - staff, board, guests and our members for their patience and support throughout 2020 and everyone's commitment to following safety protocols. It is not a normal time but when we make it through the pandemic, we will be able to safely host annual events and dances again.

If you are missing the club spirit, during our open hours we are doing take-out, you might want to deliver a meal to a friend you're not able to see during restrictions.

We miss you all very much! It is our hope that with everyone pulling together to ensure we are keeping one another safe, we will soon be able to re-open for in-person dining and possibly later this year, hold some of our beloved annual events even if modified for safety.

We follow the Alberta government's safety protocols rigorously; however, it is challenging to plan and communicate events - it is all subject to change! We appreciate our members' and customers' patience and support during this time.

We are happy to see you all again and appreciate your support.

Best regards,
Frank Meixner, President
